SCHOOLS TO OPEN SEPT. 4

School bells will ring for approximately 2,525 Albany School children on Wednesday, September 4. Kenneth M. Forry, new Superintendent of the Albany Schools, states, "This number represents a slight increase in enrollment over those of a year ago due to the larger number of kindergarten and primary children enrolling in the Albany Schools from University Village. Many married U. C. students, living in these units, have young children of school age. The completion of an additional 156 units scheduled for the opening of the fall semester, will further increase our school population." Anticipated enrollments at each of the schools are: Albany High School, 600; Cornell School, 650; Marin, 140; Vista, 180; MacGregor, 125; and University Village kindergarten, 30.

Kindergarten children from University Village will attend the morning class held at the Child Care Center, 1040-9th Street, however, if this kindergarten enrollment exceeds 30 children, the overflow will attend Vista Primary school in order to equalize class sizes. University Village elementary children in grades 1 to 3 will either attend Cornell or Vista depending on class sizes at each of these schools. Children from this area in grades 4 to 7 will all attend Cornell school.

All kindergarten children, elementary and high school students new to the Albany School District and who have not previously registered, will do so on Friday, August 16. Kindergarten children at University Village will be registered at the Child Care Center from 9 a.m. to 12 noon. Other kindergarten children and new elementary children will be registered at the school in their neighborhood from 9 a.m. to 12 noon. However, new children in the MacGregor School area will be registered on the above date in the afternoon only from 1 p.m. to 5 p.m. The legal age for kindergarten enrollment is five years as of Dec. 2, 1957. Parents of kindergarten children should bring health information and the child's birth certificate at the time of registration.

New pupils in grades 8 to 12 will register in the office of the principal at Albany High School. All eighth grade students who graduated from Marin or Cornell last June will report directly to the High School Cafeteria on the opening of school.

Cards, Dodgers Tied for Lead in Title League

A win for the Cards and a loss for the Dodgers threw the Little League into a 2-way tie for the league lead. The Braves and Giants are also tied with 2 and 4 records. The leaders have won 4 and lost 2 games. Each team has three games to play in the 2nd half and it will be a battle for the title of 2nd half winner.

The people of Albany have an opportunity to watch this youth program every Tues. and Thurs. evenings and Sat. morning and afternoon. The Little League committee has obtained bleacher seats for the balance of the season so whether you enjoy baseball or not, you may not know any of the boys who are playing, come out to the ball game.

The sportsmanship and fair play which the boys are learning is a tribute to the managers and coaches of the teams. They have spent many hours practicing and teaching the boys the proper and correct baseball techniques. Their services are volunteered. No one in the Albany Little League receives compensation. The managers and coaches are:

BRAVES: Don Phil, mgr. and John McNair, coach; DODGERS: John Casey, mgr. and Charles Hurley, coach; CARDS: Wm. MacKenzie, mgr. and Larry Cassell, coach; GIANTS: Paul Ingers, mgr. and Bob Larsen, coach. The player's agent for the League is Sam Watt.

The Little League president, Bob Litolf, is to be commended along with his committee for a very good league this first year.

This Is Albany

Robert G. Olson, Albany's City Treasurer and Administrative Assistant to the Council, was rather "junpy" last week according to his co-workers at the City Hall. It all ended last Saturday night with the arrival of a new son, and "Bob" was passing out the cigars at the council meeting Monday night. The baby weighed 8 pounds, 14 ounces. It's the Olson's third all boys. The others are Kenny, 5, and Donnie, 3. The baby hasn't been named as yet. The Olsons had a long list of favored names for a girl, but no boys' names. The wife, Marjorie Sue, and the baby are doing "just fine."

Altherio Business and Professional Women's Club is making plans for a public whist. The whist party is to be held at 8 p.m. Friday, Nov. 15, at Macgregor Hall, 985 Kains Avenue, Albany. Chairman for the event is Mrs. Dolores Healea.

At the last Committee meeting of Cub Pack No. 7, the following were chosen to lead this Pack during the year 1957-58: Cubmaster, William Perry; Chairman, Dr. Richard Gleason; Institutional Representative, Guy Lavery; Assistant Cubmasters, Julius Bachman and Alfonso Alvarado; Committee: James Metcalfe, John Mulharkey, Frank Nausin, Bruno Ponchione; Neighborhood Commissioner, Paul Calderhead. Cub Pack No. 7 is sponsored by the Cornell-Vista Dads' Club. Mr. William E. MacKenzie is president of the Dads' Club.

Albany Soroptimists resumed their regular luncheon meetings on Wednesday, Aug. 17, following a month's vacation. Myrtle Moncrief, new president, presiding. Plans were made for the annual barbecue to be held at the Albany Recreation Center, at University Village on Aug. 28, Nell Moore in charge, as the first fund raising activity of the season. Next Wednesday's meeting will have "Education in Soroptimism" as its theme under the chairmanship of Kay Fritz.

Albany Chapter No. 550, Order of the Eastern Star, will have initiation and also honor the appointive officers on Friday, Aug. 16, at 8 p.m., Albany Masonic Temple, 533 San Pablo Avenue. Thelma Moss, Worthy Matron, and Earl Muller, Worthy Patron, presiding.

Phone Company Asks Increase in Service Charges

Pacific Telephone has asked the California Public Utilities Commission for a repricing of some of its rates to help offset increased wage payments and other costs.

Under the company's proposal monthly rates for main and party line telephone service would be unchanged. But charges on most Bay Area calls beyond 8 miles outside the local calling area would be increased by 4.4 cents, the cost of a single message unit.

Other items on which increases include service connection and installation charges, and rates on person-to-person long distance calls to points in California.

Message rate business and semi-public extensions and telephones served by private branch exchanges would be increased 25c per month or from \$1.00 to \$1.25.

Long distance rates on station-to-station calls and calls to points outside the State will remain unchanged.

Statewide increases are asked on installation charges, which are one-time levies when a phone is installed. The proposed installation charge would change from the present \$7 to \$10 on new residence services; \$10 to \$15 on new business service; and \$4 to \$7 on both business and residence where a telephone is already in place but not connected.

Under the proposal, a three-minute call from Albany to Hayward would take five message units instead of the present four. This would mean an increase of 4.4 cents in the cost of the call.

On person-to-person calls, increases ranging from 5 to 40 cents for the first three minutes would apply, the charge depending upon the distance.

Other proposals:

The charge for moving or changing the present telephone would be increased from the present \$4 to \$5.

In its rate application, the company said it needs the increase to:

1—Keep pace with the rising costs of employment, materials, and equipment.

2—Stop the downward trend in its credit rating and the investment standing of its securities.

The application said company forecasts indicate California will have about 9,000,000 telephones by 1965, compared with over 5,000,000 today. This will call for a total plant investment of about 4 billion dollars, more than double the company's capital investment at the first of this year.

Pacific Telephone must figure on an investment of \$447 behind each new telephone it installs today compared with an average investment of \$241 per telephone at the end of World War II. The direct effect of this increased investment per telephone, caused by inflation and a sharp increase in the cost of capital, was described as "a serious dilution of earnings." The company stated that this could only be offset by increased rates.

CRUSADE CHAIRMEN NAMED

John Pleich, Albany United Crusade campaign chairman, announced the appointment today of several new recruits to the Crusade organization. Pleich, owner of Flowerland Nursery, 1330 Solano Avenue, pointed out that the solicitation of additional workers has gone ahead steadily, despite summer vacations, and that the Fall campaign will be ready to roll on schedule.

Stanley Saniuk of Stanley Radio and Television, 1411 Solano Avenue, will head the Solano Avenue business division, while Dr. Art Longpre, optometrist, of 848 San Pablo Avenue, will be in charge of the San Pablo business division. The two chairmen have already enlisted some solicitors: Mickey Etingoff, Max's Liquors; Jack Lynch, Lynch Realty; and Dean Graham, Curt Campbell's Ford Agency.

Mrs. William Koser, 1956 residential chairman, has accepted the job of directing the all-important Speakers' Bureau for the 1957 fund drive. This department has the responsibility of telling the "Crusade Story" to civic, fraternal, and patriotic organizations to help insure a successful campaign.

Bob Olsen, city treasurer, is in charge of the public employees division for Albany, and announces that his department is 100% enrolled. George Wannop heads the Street Department; Emmett Devine, Recreation and Parks; Mrs. Lucille Johnson, City Employees; Mrs. Connie Yool, Police Department; and Captain Les Varni, Fire Department.

Soroptimist International of Albany has just chosen a new corps of officers to serve during the coming year. Shown above, at left, is Myrtle Moncrief, president, and on the right Mae Kouns, vice-president. Bess Combs, center, was the installing officer at the installation dinner.

MRS. ZAHN BACKED FOR BAY AREA POST

Highlight on Monday night's city council meeting was not even on the agenda. It was the adoption of a Resolution recommending the election of Councilwoman Kathie Zahn to the position of Director of the San Francisco Bay Area Rapid Transit District. There was no opposition.

The action stemmed from an announcement by Mayor Lewis M. Howell to the council that four directors are to be elected to the board in the near future. Two of the four will be chosen by the Alameda County Board of Supervisors. The other two will be elected by the Mayors Council, representing the 12 Alameda County cities. The mayor said he had recommended at a recent meeting of the Mayors Council that whoever might be chosen should be either the mayor of one of the 12 cities, or a member of one of the city councils. This was adopted as a policy of the mayor group by vote.

In introducing the matter to the council Monday Howell explained the procedure to be followed and said the election would take place at the next meeting scheduled to take place Sept. 13. He went on to say that Councilwoman Kathie Zahn had followed traffic developments very closely during the past several years and undoubtedly would make an excellent representative of Albany on the Rapid Transit board.

Vice-Mayor William Donahue then moved that the council make such a recommendation to the Mayors Council by Resolution, and this was seconded by Councilman Jerome Blank. Mrs. Zahn hesitated about voting for herself, but finally voted "Aye" when the mayor suggested that the vote should be unanimous by all means.

Members of the District Board will be paid \$50 per meeting, with a maximum of \$250 in any one month. The district includes nine Bay Area counties.

Following the council action Mrs. Zahn hurriedly wrote out a brief statement:

"If the Alameda County — City Selection Committee, composed of the mayors of 12 cities in Alameda County should choose to appoint me to serve as a member of the Board of Directors of the San Francisco Bay Area Rapid Transit District I shall do everything in my power to represent the cities well and be open to their respective suggestions; but most of all will keep them always informed as to what is going on."

In other action the council ordered a letter be sent to Postmaster Frank Spire of Berkeley, thanking him for his prompt and courteous action in adjusting the Albany postal service, which had been the subject of recent criticism.

The request of the Key System Transit Lines asking the council to eliminate the present franchise tax was unanimously denied.

Authorized Councilman Blank to attend a Highway Commission hearing in Sacramento on Aug. 20, and to support the Albany overpass project as recommended by the county highway advisory committee.

Adopted on First Reading Ord. No. 57-025 — rezoning the property at 1121 Kains Avenue. The vote was 4 to 1. Mrs. Zahn opposing on the ground the property was too small for the structures proposed. Adopted Ord. No. 57-026, Change in Setback at 1141 Evelyn Ave. (On creek bank, to permit construction of a cyclone fence). Adopted Ord. No. 57-027, an amendment to Ord. No. 351, to conform more explicitly with State Law.

The council also reversed itself in the matter of a previous recommendation by City Engineer McAuley, and approved the expenditure of \$1,000 to the firm of Bryan and Murphy for a survey of the proposed access street from San Pablo across westward to the freeway, north of Albany Hill.

Assistant Administrator Olson and Engineer McAuley were also instructed to make a survey and report to the council on possible action relating to the city dump, where burning will not be permitted after Oct. 1.

Safety Expert To Speak at Rotary Meeting

Albany Rotarians and guests will hear an interesting talk at their luncheon at Spenger's this coming Tuesday by Bernard C. Hartung, representative of the East Bay Chapter of the National Safety Council. His topic will be "Traffic Safety in the State of California." The speaker will have interesting data on the control of traffic in the cities and on the highways of the State. Harry A. Dunne will be chairman of the day, while Dick Thonissen, club president will preside.

The luncheon as usual will be held starting at 12:15 at Spenger's Restaurant, on Fourth Street, just north of University in Berkeley.

Last Tuesday's speaker was Dr. Clarence Edward Rutledge of Richmond, prominent Rotarian and civic leader, who gave a most inspiring talk on Rotary and what it means to be a Rotarian — one of 450,000 in 100 nations throughout the world.

Albany to Get Later Pickup of Business Mail

Following complaints to the Albany City Council on curtailment of mail pickups on Solano Avenue, the Chamber of Commerce has just issued a statement following action by the council and the chamber, and consultation with Frank Spire, Berkeley Postmaster. The action was made effective as of Aug. 7. It also includes other matter under recent discussion. The statement reads:

The late pick up now starts at the box at Solano and Tacoma at 7:00 p.m., continuing down Solano Avenue and reaching the San Pablo Avenue intersection at 7:10. The pick up at boxes on Solano at Tallot, and on Sonoma at Curtis, Peralta and Tulare range from 7:12 to 7:17. The pick up at Marin and Tulare and at Posen and Ordway is at 7:18 and 7:20.

The first evening pick ups are approximately two hours earlier, which had previously been the final pick up of the day. Mail will continue to be picked up from the Post Office, Solano and Cornell, at 9:30 p.m.

Frank Spire, Berkeley Postmaster, granted two additional requests by the Albany City Council and the Chamber of Commerce. One is that mail from Albany will be postmarked Albany. The large A painted on the boxes means that the mail from these boxes will be kept separate and postmarked so the receiver will know it comes from Albany. Also the residents of the "Village" will have the address Albany, Zone 10, instead of Berkeley Zone 10.

The additional zone in Albany makes it important that citizens of Albany make it important that Albany include the zone in their addresses. Centrally, all of Albany is Zone 6, other than the area within the "Village". The only other exception is that those served by the Landscape branch post office on Colusa Avenue are Zoned 7. Mr. Spire requests that firms urge their correspondents to use the zone number. It will further improve the mail service.

New Officers Of Legion Post Will Take Over

There will be a new administration in the affairs of Albany Post when Commander Richard (Dick) Ball assumes the commander's station and gavel Friday evening at 8:30 o'clock in the Albany Veterans' Memorial building.

To start off the new year Commander Ball will release his committee members for the year, the chairman being George Mack, Jr., Albany veteran's council; auditing, Alfred Daft; Boy Scouts, Ernest Johnson; Cub Scouts, Jack Purcell; Boy's State, John Robins; Blood Bank and Service Officer, C. Edward Johnson; bowling, Jack Hamilton; budget, James Erskine; Americanism, Ralph Buckwalter; Child Welfare, Irving Jones; Color Guard, LeRoy Holland; Community Service and Disaster Relief, Ralph Jensen; Constitution and by-laws, Walter Brophy; finance, David Townsend; housing and veterans employment, Gustav Johnson; junior baseball, Gilbert Suth-Klein; membership, William H. Jones; parliamentarian, Donald H. Karns; reception, Gilson Talmadge; ritual; Charles Lindh; school awards; Robert Dennis; uniforms Harold Ogden; Veterans Hospitals Christmas Committee, Albert Droza; Veterans Day Parade, Walter Ellis; press and public relations, Walter L. Holland; member welfare, Clement Tobin; house, Roy Johnson; Ways and Means, Carl Waters, and special services, Alfred Daft. Commander Ball will act as chairman of the delegation to the Tenth District Council.

Republican Women Return from Tour

The Albany Council of Republican Women toured New Orleans, Havana, and Guatemala recently with Mr. John Ober, attorney, as Tour Conductor. The picture viewers inspected iron gates and balconies in New Orleans, bathed in the constantly changing water pool aboard the freighter, and spoke with solemn faced native children in the foothill country of Central America.

Prior to the tour, September was agreed upon as vacation month. On October 7 program plans include a speaker from the Republican Central Committee for Alameda County. Preparations for the 1958 campaign will be initiated.

Volunteers for clerical assistance are needed for three hour duty at Berkeley Republican Headquarters.
